

# ROAD MAP

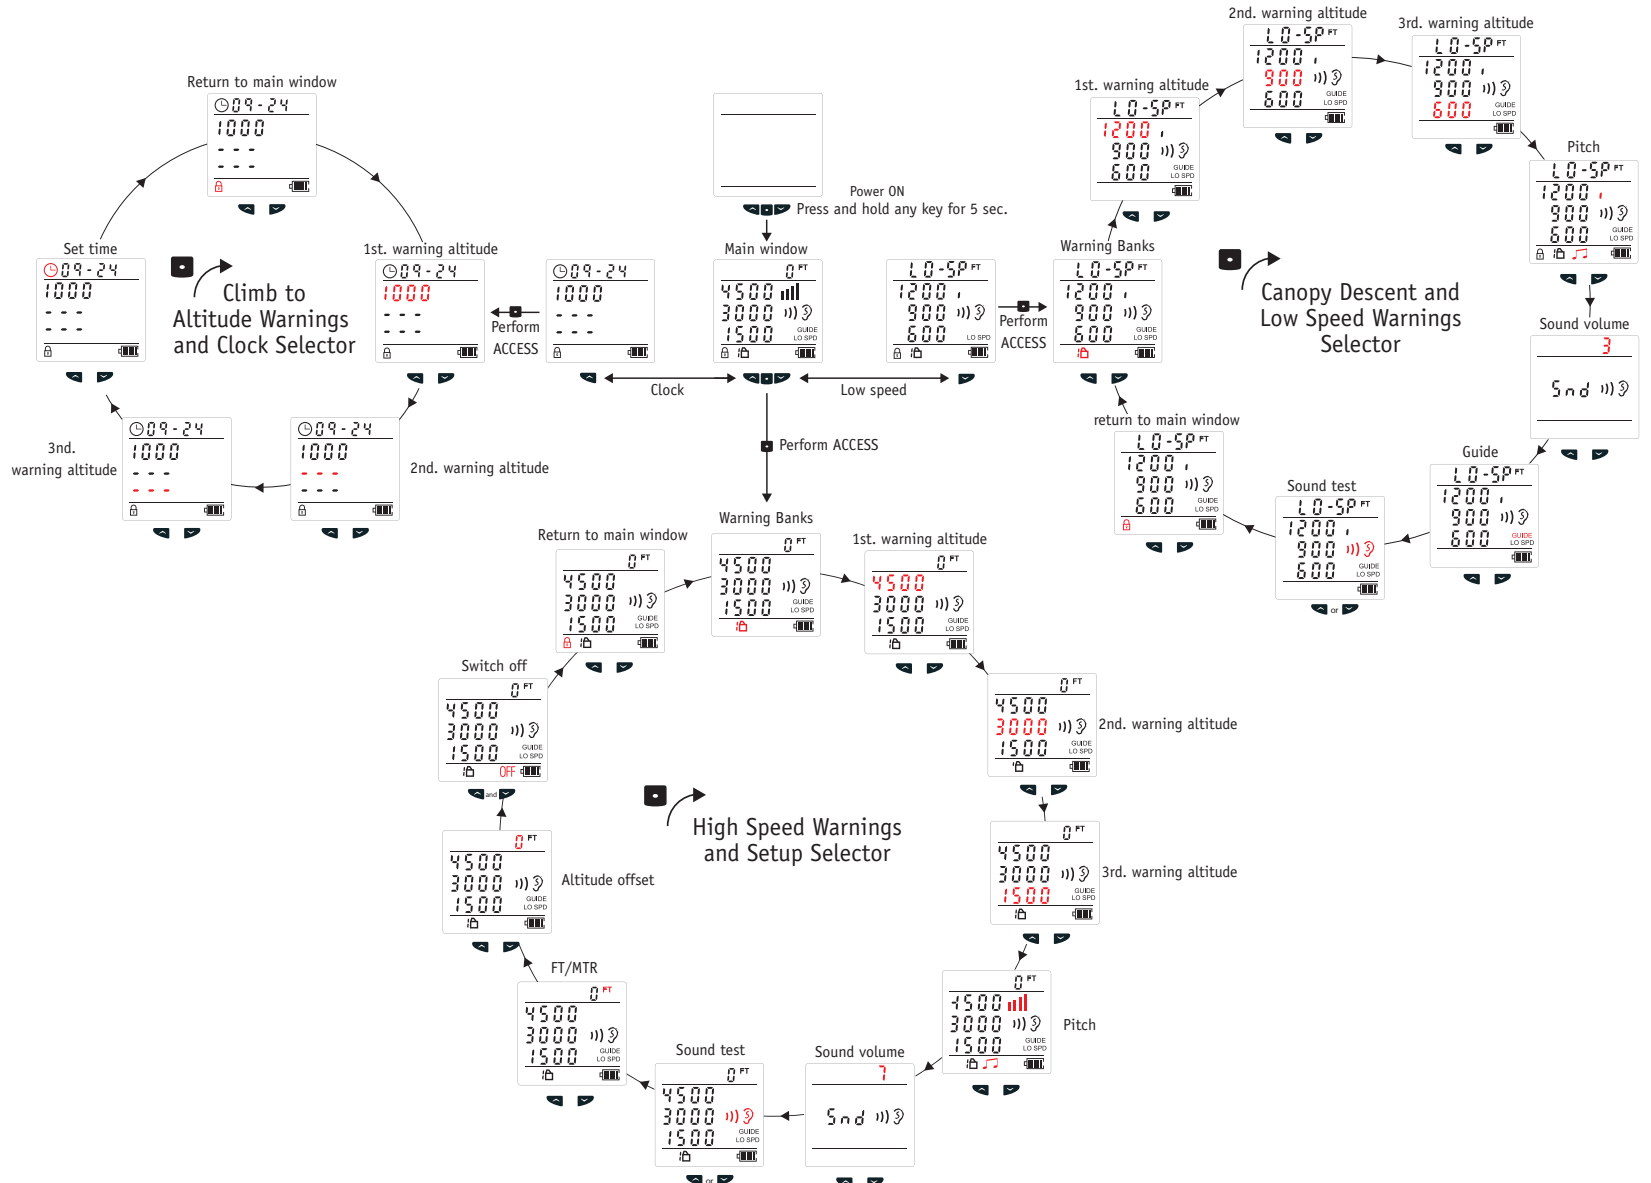

## \*Performing ACCESS

1. Press **[P]** and release quickly – the padlock icon turns off (disappears)
2. When the padlock icon reappears, immediately press **[P]** and keep it pressed – the padlock icon will disappear again
3. When the padlock icon appears again, release immediately

The OPTIMA II now flashes the warning bank icon with a number in front of it to indicate the active warning bank number.

*Note: The OPTIMA II exits ACCESS and returns to the Main Window if no button has been pressed within 5 sec.  
ALL functions (except Power ON) can be performed ONLY when the OPTIMA II is in ACCESS mode.*
